Hi Douglas – with the consultation and BLM meetings this week, as well as this schedule conflict, I'm fine pushing this out until next week. Do you agree?

Also – Darcy's email from early this morning reference a proposal from Valois and Lucita with regards to our NRC discussion last week. Can you send me info about that? I haven't seen any emails about that proposal, but perhaps I missed something.

Thanks

Hi Sarah: in scheduling this meeting, I wasn't expecting that the WD LEP meeting with all the champions was going to coincide.

If you prefer I reschedule, I can try to find another time by early next week.

Thanks,

Douglas
